CONSERVATION

INFO AND REQUIREMENTS

SPACE REQUIRED:

The inflatable measures approximately **13m long x 8m wide x 2m high** and requires constant access to power.

An indoor space at least **15m long x 9m wide** is required.

Hope is not suitable for outdoor use.

The inflatable is made from flame retardant materials.

TIMINGS:

Small groups of up to 10 pupils at a time can be taken inside Hope.

Timings and schedule will vary from school to school.

Themes: we can focus on whale anatomy, feeding, and threats to humpback whales in Scottish waters.

Suitable for all ages.

We are based in Moray but will be making trips further afield.

PLEASE NOTE, visits to your area may not occur regularly.
