

JOURNEY INSIDE A HUMPBACK WHALE!

FREE!

Host our inflatable humpback whale named Hope!

PLEASE READ THE NEXT PAGE

for space requirements, session information and how to book.

WHALE AND DOLPHIN CONSERVATION

SPACE REQUIRED:

Our inflatable measures approximately **13.5m / x 8.5m w x 2.7m h** and requires constant access to power.

**An minimum indoor space of
15m long x 9m wide x 3m high* is required.**

*If your hall is smaller than this, please tell us the exact dimensions and layout and we will see what we can do.

Hope is not suitable for outdoor use.

The inflatable is made from flame retardant materials.

TIMINGS:

Small groups of up to 10 pupils at a time can be taken inside Hope.

Timings and schedule will vary from school to school.

Learn about whale anatomy, feeding, and threats to humpback whales in Scottish waters.

Suitable for all ages.

We are based in Moray but will be making trips further afield within Scotland.

PLEASE NOTE, visits to your area may not occur regularly.

To find out more information or enquire about a visit to your area, please contact:
